OFFICE OF LEGISLATIVE COUNSEL

[redacted] Called Jim Calloway, Senate Appropriations Committee staff, and told him that the Director would be available to meet with Chairman McClellan Friday morning at 10:30 as Calloway had suggested and he plans to come alone. I pointed out that the Director's hearing on his nomination to be Ambassador to Iran might slip from Thursday to Friday in view of former President Johnson's funeral arrangements and might possibly require rescheduling his meeting with the Chairman but they could count on the Friday date unless we called them to the contrary. Calloway said he would probably sit in on the meeting with the Chairman.

2. [redacted] Hand-carried to Ed Braswell, Chief Counsel, Senate Armed Services Committee, a letter from Jack Maury concerning Senator Cannon's request for photography of the bomb damage to the Haiphong/Hanoi areas.

3. [redacted] Called Robert Mosbacher, Legislative Assistant to Senator Howard H. Baker (R., Tenn.), and invited him to come out to the building for lunch some time next week even though Senator Baker has not been able to schedule a visit here. (I said perhaps we could arrange for the Senator to come out after James Schlesinger assumes his duties as Director.) Mosbacher said he would like to clear his visit with the Senator and he would be back in touch with me in a day or two. He commented that Senator Baker and Jim Schlesinger have become good friends through the Senator's membership on the Joint Committee on Atomic Energy.
